

Join St John Ambulance as a Community Volunteer

As a Community Volunteer, you'll be at the heart of our fundraising and community activities, helping to raise the funds that enable our volunteers to respond at events, teach first aid and support communities when they need us most.

Turn your time into life-saving impact—every £1 raised, donation given, and community event supported helps power St John Ambulance's vital work across the country.

How you can get involved

As a Community Volunteer, you can choose how you make a difference. There's no expectation to do everything—just pick what works for you:

- FUNDRAISE in your community to support the volunteering we deliver.
- TELL people about what we do and inspire others to get involved.
- SHOW people simple, life-saving skills to help them feel confident in an emergency.

You don't have to do it all—just choose the activities that suit your time and interests.

We're looking for enthusiastic people who:

- Enjoy meeting and talking to people
- Love organising events and activities
- Want to make a positive difference in their community

All we ask is for you to give 24 hours of volunteering throughout the year.

What's in it for you

- Make a direct contribution to life-saving work
- Meet fantastic people and become part of a supportive team
- Develop skills in fundraising, events and community engagement
- Gain valuable experience and confidence

- Help shape the future of St John Ambulance in your local area
- Have fun while making a genuine difference
- We'll cover any expenses and provide you with a uniform.
